

Childsafe

A PARTNERSHIP IN CHILD SAFETY – HEALTH – EDUCATION

ROAD SAFETY

- **The family car** – A review of all the manufacturers' most parent and child-friendly vehicles available, to include active and passive safety and in-car entertainment systems for children.
- **On the road** – A review of family facilities at motorway service stations.
- **Danger Dec** – Road safety from Kidspremiership Educational Co-ordinator Caroline Lee, in association with the Local Authority Road Safety Units.

EDUCATION

- **Television** – the most educational TV channels.
- **Playtime** – A review of the most educational and safe toys available.
- **Drugs and alcohol** – A parent's guide.
- **Bullies** – Is your child a victim or a bully? Information from Kidscape, the Anti-Bullying Campaign, Parentline, Childline and the Children's Legal Centre.
- **How Street Smart are your children?** – Extracts from *Too Much Punch for Judy*.
- **Is your child potentially great?** – How do we encourage our children to learn? Dr Dena Michelli Phd and Richard Scriven explain.
- **What influence is the media having on children?** A look at *The Media Diet for Kids* by Louise O'Flynn and Teresa Orange.
- **Sibling Conflicts** — Tips for prevention and intervention.
- **Getting out of the Art Room** – A new concept in bridging the gap between what we see and how we communicate it, in association with Christies.

TECHNOLOGY SAFETY

- **The Internet** – A useful tool or a danger to the family? Vernon Coaker MP, Chair of the Taskforce for Child Protection on the Internet. Plus a look at the best children's sites. Nick Yull, former MoD security, Internet Watch Foundation and Childalert.
- **Mobile phones** – An in-depth educational feature for parents on the benefits and pitfalls.
