A PARTNERSHIP IN CHILD SAFETY – HEALTH – EDUCATION

WHAT THE SURGERIES SAY

Thank you very much for your free copy of the Childsafe Magazine. Would it be possible to request another 2-3 copies to enable the magazine to be distributed in each waiting area of our surgery?

I look forward to hearing from you regarding this matter.

We have received one copy of your Childsafe magazine and think it is very informative. As we are a surgery with 3 sites we would like to request 2 more copies to have one in each waiting room.

We have recently received one copy of the above. Would it be possible to send a couple of extra copies for our Child Protection Lead (Dr Tiwari) and one for our Health Visitor, please.

Thanks very much

Hello my name is Wendy and I am a community nursery nurse and I work along side health visitors. We were very impressed with childsafe magazine and was wondering if you would be able to send us some free copies to use with our parents.

Many thanks.

Could you send me 5 more copies of your Childsafe Booklet. The content is very good and cover a variety of subjects that affect children.
